- Use the Picture-in-Picture feature so you can see how you appear.
The Video Interview Process

- The interview process will be the same as an in-person interview. The interviewer's objective (to screen candidates for employment) is the same.

- You will be asked the same type of interview questions. Be prepared to ask questions, as well.

- If you're not sure about how the interview is proceeding, it's fine to ask the interviewer how you are doing.
